

# Curriculum Vitae

**Name:** Hashimwimana Theogene

**Nationality:** Rwanda

**Address:** Nyarugenge, Kigali, Rwanda

**Phone number:** 0784020043

**Email:** [hashimwimanatheogene34@gmail.com](mailto:hashimwimanatheogene34@gmail.com)

**Web:** <https://bromen.netlify.app/#portfolio>

## Profile

Aspiring Full-Stack Developer with a solid foundation in Computer and Software Engineering. Proficient in Node.js, React.js, CSS, HTML, Java, and React Native. Keen to apply academic knowledge in a professional setting, with a strong interest in gaining hands-on experience in software development and networking.

## Work Experience

09/2023-12/2023

Kicukiro, Kigali, Rwanda

On-site

### Software development Training

#### Klab

At kLab, I developed and deployed web and mobile applications using Node.js, React.js. I led projects, collaborated with cross-functional teams, and mentored junior developers. I also engaged with clients to tailor software solutions to their needs and applied agile methodologies to ensure timely delivery and high-quality outcomes.

05/2024-Present

Kigali, Rwanda

Online

### AI online Training

#### ALX Africa

At ALX Rwanda, I develop machine learning models, analyze large datasets, and conduct AI research. This role is enhancing my AI and machine learning skills.

## Skills

- **Programming Languages:** Node.js, React.js, CSS, HTML, Java
- **Web Development:** Full-stack development, Responsive design
- **Networking:** Network architecture, IP addressing, Ethernet, Network protocols, Troubleshooting
- **Tools:** Git, MS Office
- **Soft Skills:** Excellent communication, Problem-solving, Team collaboration

## Projects

- **Smart Farming:** A web application designed to help farmers track all their activities, from planting to harvesting. Utilized Node.js, React.js, and a MongoDB backend to create a user-friendly interface for data entry and analysis. Implemented features for scheduling, progress tracking, and data visualization to assist farmers in managing their operations efficiently.

## Education

<b>04/2020-Present</b> Nyarugenge, Kigali, Rwanda	<b>Computer Engineering (Bachelor's degree)</b> University of Rwanda
<b>01/2017-12/2019</b> Nyamagabe, northern Province, Rwanda	<b>Math, Physics and Computer Science(A2)</b> GS Kigeme A
<b>01/2014-12/2016</b> Nyamagabe, northern Province, Rwanda	<b>O-Lever</b> GS Kigeme A
<b>01/2007-12/2013</b> Kamonyi, northern Province, Rwanda	<b>Primary school</b> GS Kivumu

## Certifications

- **Cisco Essentials Certificate:** Validates foundational skills in networking, including configuring and troubleshooting devices, and understanding protocols and network security.
- **CCNAv7: Introduction to Networks:** Covers foundational networking concepts, IP addressing, Ethernet, and protocols, preparing for advanced networking studies.
- **Web Development Certificate:** Certified in advanced web development skills, including HTML, CSS, JavaScript, Node-Js, UI and UX design and responsive design principles.

## Language

Language	Speaking	Listerning	Writing
English	Very Good	Very Good	Very Good
Kinyarwanda	Excellent	Excellent	Excellent
Kiswahili	Good	Good	Good
